Dolores:**Audience Response:**

- Lots of laughter, positive response.

Technical Matters:

- **Lighting:** LX 5.5 didn't go OR the effect change could not be seen.
- **Sound:** The 1st fade in of *Fast Car* volume was low before the vocal.
- **Costume:** on Sandra's coat, her name tag is shown after it is left on the chair. Is it possible to remove it? Please let us know! Thank you.
